

MAKING MEASURING YOUR MINI ME'S FEET EASY!

Conquer the difficulty of ordering kids shoes online with our shoe size measurer. Get the right size the first time around, just follow these easy steps.

- 1 - Print the chart on the next page. Don't forget to set your printer to 100% or 'do not scale'.
- 2 - Place the chart on a hard floor.
- 3 - Pop one foot on the chart, stand up nice and tall with the back of the heel against the line.
- 4 - Measure to the end of the big toe. Jot down the measurement.
- 5 - Repeat for the other foot (if different then use the measurements from the biggest foot).
- 6 - Use the chart underneath to convert the measurement to the correct shoe size.
- 7 - Go to [allsole.com](https://www.allsole.com) and pick your shoes from our huge range.
- 8 - Head out and play.
